Exceptional service with a warm welcome and a comprehensive, sincere audit conducted by an expert technician. Their in-depth knowledge offers valuable insights into hidden issues, followed by a precise and high-quality debriefing, along with expert advice. In short, an indispensable partner for leisure vehicle owners, whether for routine maintenance or for ensuring and certifying transactions between individuals and professionals. Highly recommended!

## CT CARR, a partner of the SUNROAD GROUP for over 20 years, specializes in the repair of leisure vehicles.

Our network includes 12 technical centers staffed by 70 employees, all trained in the latest technologies. Our network of Bodywork Technical Centers is committed to providing high-quality services, with a single goal: the satisfaction of our clients, whether they are individuals or professionals, as well as our partners such as insurance companies, manufacturers, experts, and rental agencies.

### Our Strengths

Passionate, ingenious,  
and versatile teams

### Our Technical Challenge

Repairing and/or rebuilding  
to the exact same standard

### Our Goal

The durability & invisibility  
of our services!

### Our Objective

Customer  
satisfaction

## CT Carr handles all types of claims

(accidents, collisions, weather damage, fire, burglary, etc.) for most major brands of leisure vehicles.

Each year, our CT Carr network performs an average of 3,500 repairs. Thanks to their expertise, our technicians are able to handle all types of work, covering various areas :

- ✓ Motorhome bodywork
- ✓ Sheet metal
- ✓ Painting
- ✓ Fiber repair
- ✓ Mold and polyester part remanufacturing
- ✓ Plastic repair
- ✓ Sealing and cell renovation
- ✓ Glazing replacement
- ✓ Accessory installation
- ✓ Layout or interior design
- ✓ Carpentry, plumbing, gas, electrical work, etc.

**Our CT Carr technical centers are already approved by numerous insurance companies and mutuels,** allowing for direct management of claims. In most cases, no advance payment is required.

**Our technical centers are multi-brand** and strictly adhere to the manufacturers' specifications, thus preserving your vehicle's manufacturer warranty\* after an intervention in our workshops.
