A NETWORK OF EXPERTS
 FOR THE MAINTENANCE AND REPAIR
 OF YOUR MOTORHOMES, VANS AND CARAVANS
www.ctcarr.com

93% of our customers are willing
 to recommend us to those around them.

Jacqueline
 ★★★★★ 11 weeks ago
 Very well-executed work, a skilled team, and welcoming staff.
 I recommend them for the maintenance of your motorhome.
 Visited in November 2025.

CT Carr has been a partner of the SUNROAD EQUIPMENT Group for over 25 years and specializes in the repair of leisure vehicles.

Our network of Technical Centres has always been committed to providing HIGH-QUALITY SERVICES, with a single goal: customer satisfaction.

Our Strengths

Passionate, ingenious, and versatile teams

Our Technical Challenge

Repairing and/or rebuilding to the exact same standard

Our Goal

The durability & invisibility of our services!

Our Objective

Customer satisfaction

Our area of expertise

We repair, maintain, and equip leisure vehicles of all brands, models, and model years. CT CARR offers genuine expertise in its workshops in the following areas:

Bodywork & Aesthetics :

- ✓ Sheet metal work in all materials, including specific work for vans
- ✓ Full bodywork and paint, as well as blending*
- ✓ Repair of composites (fiberglass, polyester, plastics, and ABS)
- ✓ Headlight lens replacement and refurbishment

Structure & Sealing :

- ✓ Replacement of structural components
- ✓ Renovation and complete reconstruction of bodies and sandwich panels

- ✓ Inspection and restoration of watertightness
- ✓ Repair and replacement of glazing (cab and full body)

Fitting & Equipment :

- ✓ Carpentry and interior fittings
- ✓ Installation and repair of plumbing systems
- ✓ Onboard electrical systems and electromechanical work
- ✓ Installation of custom accessories

Routine Maintenance :

- ✓ Tire service*
- ✓ Maintenance service*

Our commitments

- ◆ **Personalized support** : the user benefits from a single point of contact to coordinate their case with the insurance company and the assessor, as well as an expert technician responsible for their vehicle in the workshop.
- ◆ **Advice & transparency** : we are committed to providing complete information, sound advice, and detailed quotes before each intervention.
- ◆ **Tailor-made solutions** : we prioritize repairs adapted to each need, including interim solutions to preserve the vehicle's usability.
- ◆ **Environmental commitment** : we ensure responsible waste management (sorting and disposal) in compliance with environmental standards.

*Depending on on-site expertise, supported by our network of subcontractors.

Today, CT CARR remains a company with a family-sized structure.

CTCARR is :

- ◆ a network of 12 technical workshops and specialized body shops,
- ◆ 60 employees

1 in 2 motorhome owners rely on us for our expertise in leisure vehicles

rely on us for our expertise in leisure vehicles

8.8/10 is the overall satisfaction rating given by our clients.*

*Study conducted between september 2024 and about 31,2025, with all our clients who used our workshops for a repair

Our customer services

- ◆ **Digital & proximity** : an interactive website for quote requests and online appointments, with personalized post-repair follow-up.
- ◆ **Full transparency** : systematic photographic condition reports, return of replaced parts upon request, and detailed invoicing including our expert recommendations.
- ◆ **Technical expertise** : rigorous work carried out in accordance
- ◆ **Peace of mind & warranty** : durable services with parts and labour warranty valid across our national network, supported by responsive and committed after-sales service (SAV).

Privilege benefits :

- ◆ Final quality check in your presence.
- ◆ Cleaning of the work area included.
- ◆ Free secure storage (alarm-protected premises) for up to 90 days.
- ◆ Exclusive promotional offers throughout the year.

163

that's the number of automotive insurance claims adjusting firms...

93%

this is the % of our clients who are willing to recommend us

We are able to respond to all requests

regardless of the types of materials involved: aluminium, polyester, plastics and ABS, van sheet metal, sandwich panels, glass elements and windshields, as well as wood, etc....

A win-win partnership

Allowing you to rely on a reliable and long-term partner, guaranteeing genuine customer service and real professional expertise without constraints, while maintaining control of a coherent economic balance.

A single point of contact, whatever the user's needs.
